Company Announcement

FOR IMMEDIATE RELEASE – April 2, 2024 – Abdallah Candies of Apple Valley, MN is voluntarily recalling a limited quantity of Abdallah Candies 8 oz. sea salt almond alligators. The products have a chocolate covered cherries label with code 0315 on the bottom of the box. The boxes do contain sea salt almond alligators but have an incorrect ingredient label.

Sea salt almond alligators contain almonds as an ingredient, which was not declared on the ingredient label. People who have an allergy or severe sensitivity to almonds run the risk of serious or life-threatening allergic reaction if they consume these products.

The product was distributed nationwide and sold in specialty retail stores, grocery stores, and other retail outlets. The recalled products were distributed from 03/01/2024 to 03/29/2024. Retail products are packaged in candy boxes with a label on the bottom of the box containing nutrition and ingredient information. The code 0315 is found in a box at the bottom center of the ingredient label. The company has not been notified of any illness associated with this product.

Consumers who purchased the product/code cited above are advised not to eat any product and should destroy or return the product to the place of purchase.

Consumers with questions should call Abdallah Candies with their concerns. Monday through Friday 8am to 4:30 pm central time at 952-890-4770 or 800-348-7328.

No other products from this company are affected.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
