Company Announcement

FOR IMMEDIATE RELEASE – 12 February, 2024 – Thane, Maharashtra, India, Brassica Pharma Pvt. Ltd. is voluntarily recalling Eye Ointment products listed in the table below with expiration date ranging from February 2024 to September 2025. The products are being recalled due to lack of sterility assurance at the facility noted during an inspection conducted by the Food and Drug Administration (FDA).

Risk Statement: For those patients who use these products, there is a potential risk of eye infections or related harm. These products are intended to be sterile. Ophthalmic drug products pose a potential heightened risk of harm to users because drugs applied to the eyes bypass some of the body’s natural defenses. To date, Brassica Pharma Pvt. Ltd. has not received any reports of adverse events up to 16th February 2024 related to this recall.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
