Product Description:

Nagewa Snack

Daiso California LLC of La Mirada, CA is recalling Tohato Nagewa Snack (skus 4901940112036 & 4901940112005) because it contains an undeclared milk derivative ingredient. People who have an allergy or severe sensitivity to milk run the risk of serious or life-threatening allergic reaction if they consume these products.

Tohato Nagewa Snack were sold in Daiso stores in California, Washington, Nevada, Texas, Arizona, New York, and New Jersey.

Tohato Nagewa Snack are packaged in a red bag with an image of the crispy potato ring bites on the package. The product is sold in 27g and 73g packages.

There have been no reported cases of allergic reaction to this product.

The recall was initiated after it was discovered that the product was distributed in packaging that did not correctly warn for the presence of a milk allergen. Subsequent investigation indicates the problem was caused by a temporary breakdown in the company's production and packaging process.

Sale of the product has been suspended.

Consumers who have purchased Tohato Nagewa Snack may return them to any Daiso store for a full refund. Consumers with questions may contact Daiso at support@daiso-usa.com or call toll free 833-888-1610.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--

those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
