Company Announcement

VANCOUVER, BC (October 18, 2023) — Nature's Path Organic Foods is voluntarily **recalling specific batches of its Organic Pumpkin Spice Waffles and Organic Dark Chocolate Chip Waffles** because they may contain trace amounts of undeclared peanuts. People who have an allergy or severe sensitivity to peanuts run the risk of serious or life-threatening allergic reaction if they consume these products.

The affected products were only sold in the USA. This issue is isolated to two batches of Organic Pumpkin Spice Waffles and Organic Dark Chocolate Chip Waffles with the following lot codes:

- Nature's Path Organic Pumpkin Spice Waffles
o Best Before Date: 2023 OCT 24 o Lot Code: 2C110242 o UPC: 0 5844959077 4
- Nature's Path Organic Dark Chocolate Chip Waffles o Best Before Date: 2023 OCT 26 o Lot Code: 2C110262 o UPC: 0 5844916701 3

The impacted products are sold in the freezer aisle, packaged in 7 oz (2 waffles (70g) servings), and lot codes can be found on the bottom flap of each box.

While no illness or reports of allergic reactions have been reported to date, these specific batches are being voluntarily recalled. No other products or lots within the U.S. are impacted by this voluntary recall. The issue stemmed from a manufacturing error through an external partner that produces products for Nature's Path Organic Foods.

Consumers requesting a refund for the affected product should return the product to their retailer. Consumers may also contact Nature's Path consumer services at 1-866-880-7284 (between Monday and Friday, 8:00 am to 4:30 pm PST) or email at ConsumerServices@naturespath.com.

* We believe that none of the product being recalled were processed or offered through the national office

* We strongly encourage you to notify your agencies within one business day from receipt of this notice.

* ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.

* For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
