Company Announcement

East Hartford, Connecticut December 30th, 2022. Garden of Light (dba Bakery On Main) is voluntarily recalling one lot of Organic Oat and Honey Granola for possible Tree nut (Almond) contamination. People who have an allergy or severe sensitivity to almonds run the risk of serious or life-threatening allergic reaction if they consume this product.

Product is sold at retailers nationally under the brands:

- **Topco**/Full circle Organic Oat & Honey Granola with UPC code of 036800420397
- **SEG** stores under the “Naturally Better” Organic Oats & Honey Granola with UPC code of 07880201130.

The product was produced with a “Best Before Date” (BBD) of 10/10/23. The best before date and UPC code can be found on the back of the film package.

No other lot codes or products are impacted by this voluntary recall.

The company manufactured 14,304 pounds of product which was **distributed by Total Granola in Topco and SEG retail stores throughout the United States**. The product recall was voluntarily initiated after it was discovered that product potentially containing Almonds was distributed in packaging that did not reveal the presence of Almonds. No illnesses or injuries have been reported to date.

Customers with product with the 10/10/22 BBD in their possession should dispose of it immediately. If consumers have any questions, they can contact Garden of Light (dba as Bakery On Main) at info@bakeryonmain.com or 860-895-6622. Responses will be provided Monday- Friday 8:00 am – 5:00 pm EST.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
