No illnesses have been reported to date.

This voluntary recall was initiated as of the result of a recall that was initiated by one of our ingredient suppliers. Our supplier notified us that they discovered undeclared peanut residue in one of the sub-ingredients used in the process of making our products.

Consumers who have a peanut allergy should not eat any remaining product and are advised to return the product to the place of purchase for a full refund. If you are not allergic to Peanuts the products are safe for consumption.

Consumers with questions may contact the company at 1-888-445-5122 or visit our website at <https://www.drizzilicious.com/recall/food-safety>

-
- * We believe that none of the product being recalled were processed or offered through the national office
 - * We strongly encourage you to notify your agencies within one business day from receipt of this notice.
 - * ALL cased and uncased inventories, both at the member level and agency level, need to be checked. This product may have entered member and agency warehouses through salvage, local donations, TEFAP, local purchases, retail pickups, food drives, or other avenues.
 - * For additional local details, please contact the Health Department(s) for the area(s) your food bank serves.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7/alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
