## Company Announcement

Frito-Lay today issued a recall of a limited number of 13 oz. bags of Tostitos Cantina Traditional Yellow Corn Tortilla Chips that could include nacho cheese tortilla chips, and therefore may contain undeclared milk. Those with an allergy or severe sensitivity to milk run the risk of a serious or life-threatening allergic reaction if they consume the recalled product.

The product included in this recall was distributed to a mix of retailers including grocery, convenience and drug stores, as well as e-commerce distributors, in the following 13 states: Alabama, Florida, Georgia, Illinois, Indiana, Kentucky, Mississippi, North Carolina, Ohio, South Carolina, Tennessee, Virginia and West Virginia. Consumers would have been able to purchase these chips as early as March 7, 2025.

No allergic reactions related to this matter have been reported to date. No other Tostitos products, flavors, sizes or variety packs are recalled.

Less than 1,300 bags are included in the recall. The recalled product is in a flexible bag, and the specific information is listed below:

**About Feeding America Recall Notices**

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration (FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at [http://www.fsis.usda.gov/Fsis\\_Recalls/index.asp](http://www.fsis.usda.gov/Fsis_Recalls/index.asp). Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
