Allergens

Reason for Announcement:

Undeclared wheat, sesame, soy, yellow 5, yellow 6, red 6

Company Name:

Kedake Inc

Brand Name:

Las Ollas

Product Description:

Las Ollas Botana Mix Snacks and Delights 2 lb packages

Company Announcement

KEDAKE, INC. of Houston, TX is recalling it's 2 lb packages of Las Ollas Botana Mix Snacks because they may contain undeclared Sesame, Soy, Wheat, Yellow No 5, Yellow No 6, and Red No 6. People who have an allergy or severe sensitivity to Sesame, Soy, Wheat, Yellow No 5, Yellow No 6 and Red No 6, run the risk of serious or life-threatening allergic reaction if they consume these products.

Las Ollas Botana Mix Snacks 2 lb packages were distributed in Texas and reached consumers through both wholesale and retail stores. The product is not available on-line.

The product can be identified as packaged in a plastic bag with a pink and white label displaying the name "Botana Mix Snacks and Delights" with the Las Ollas brand label. The bag clearly states 2 lb on the front. Nutrition facts and ingredients are also listed on the front of the package. There is a UPC on the front as well. The expiration date is on the back of the package.

No illnesses have been reported to date.

The recall was initiated after the FDA discovered in a routine inspection that the product containing the Sesame, Soy, Wheat, Yellow No 5, Yellow No 6, and Red No 6 was distributed in packaging that did not reveal the presence of these ingredients and subsequent investigation indicated that the problem was caused by a production printing problem with the label.

Consumers who have purchased the 2 lb packages of Botana Mix Snacks are urged to return them to the place of purchase for a full refund. Consumers with questions may contact Kedake, Inc. at 713-996-7550. (Monday-Friday 7:00am -5:00pm CST) Kedake, Inc.

About Feeding America Recall Notices

The Feeding America national office issues notifications of all national Class I and II recalls--those involving a health hazard situation in which there is reasonable probability that eating the food will cause health problems or death--and other recalls that may affect the safety of food supplied to network members.

The national office strongly encourages all member product solicitors, operations managers, and others involved in food and grocery distribution to regularly consult resources provided by the United States Food and Drug Administration

(FDA) at <http://www.fda.gov/opacom/7alerts.html>, and the United States Department of Agriculture (USDA) at http://www.fsis.usda.gov/Fsis_Recalls/index.asp. Additionally, members can often receive information on national, state, and local recalls by contacting their local health departments.
